PUERTO RICO

ECONOMIC DEVELOPMENT INITIATIVE 2021

Virtual 36-Month Follow-Up

The Veterans Benefit Administration's Division of Outreach, Transition and Economic Development (OTED) invites all Service members, Veterans, their family members, and the broader community to a special event showcasing VA's collaborations with partner agencies to enhance Veteran economic development in Puerto Rico and the surrounding islands over the last three years.

Participants will learn about the collaborations VA and its partners undertook over a 36-month period to offer Veterans increased access to healthcare services, financial literacy information, career navigation and employment opportunities for economic advancement.
